

Windom baluns for kilowatt range OH7SV

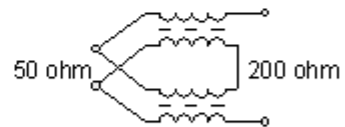

Windom balun made with Amidon ferrite toroids

Window balun
for kW range
OH7SV 2004-08-22

Surplus ferrite rod
from OH7XE
 $AL=47nH/\mu m$
 $l=160mm, d=9mm$

2 x 20 turns, 1mm cu
parallel winding
(not twisted)

Window balun made with surplus ferrite rods
